

IMPORTANT NOTE

GRADIAN CCV EXTERNAL BATTERY

The CCV has an internal battery for 7 hours of backup, which automatically recharges when the unit is reconnected to mains power.

The external battery provides an additional 14 hours of battery life if needed. This external battery is for emergency use only.

BATTERY LIFE: The battery should be stored securely in the basket AND plugged into the power extender, to ensure that it is fully charged and available for use if needed.
